OVERVIEW

Maximize your moving operations with our 18" x 40" Premium H-Frame Solid Oak Furniture Dolly. This dolly is constructed with a kiln-dried red oak frame, offering a load capacity of 900 pounds for handling a wide range of items. The top features non-slip rubber strips to ensure secure and stable transport. Outfitted with 3-1/2" thermoplastic rubber wheels, this dolly protects floors and provides smooth, quiet movement. The open deck design reduces noise compared to solid deck dollies and prevents debris buildup. The open center space makes it easy to hang and store when not in use.

ORDERING

Order online, by purchase order, or through the quote list on lonestardollies.com. Ships from Mansfield, Texas by FedEx, UPS, or freight for oversized items. Orders process the same or next business day after payment.

Specifications are the manufacturer's published data. Confirm fit, mounting pattern, and rated load for your application before ordering in volume. Made-in-USA and material statements apply only where listed above.
