List price \$145.87 volume pricing and freight on request

OVERVIEW

Optimize your moving operations with our 18" x 40" Premium H-Frame Solid Oak Furniture Dolly. Featuring a kiln-dried red oak frame, this dolly offers a remarkable load capacity of 1,000 pounds, making it perfect for handling heavy items with ease. The non-slip rubber strips on top provide added stability, ensuring that your load stays secure during transport. The dolly is equipped with 5" thermoplastic rubber wheels, designed to protect floors and provide smooth, quiet movement. The open deck design reduces noise compared to solid deck dollies and prevents debris buildup, while the central open space allows for easy hanging when not in use.

ORDERING

Order online, by purchase order, or through the quote list on lonestardollies.com. Ships from Mansfield, Texas by FedEx, UPS, or freight for oversized items. Orders process the same or next business day after payment.

Specifications are the manufacturer's published data. Confirm fit, mounting pattern, and rated load for your application before ordering in volume. Made-in-USA and material statements apply only where listed above.
