OVERVIEW

The 20"x36" Heavy-Duty Oak H-Frame Dolly is built for professionals who demand strength, reliability, and performance. Made in the USA with kiln-dried red oak, this dolly offers unmatched durability and long-lasting use. With a static load capacity of 2,800 lbs and a working load capacity of 2,240 lbs, it's ideal for heavy-duty applications such as moving appliances, HVAC units, and industrial equipment.

ORDERING

Order online, by purchase order, or through the quote list on lonestardollies.com. Ships from Mansfield, Texas by FedEx, UPS, or freight for oversized items. Orders process the same or next business day after payment.

Specifications are the manufacturer's published data. Confirm fit, mounting pattern, and rated load for your application before ordering in volume. Made-in-USA and material statements apply only where listed above.
