OVERVIEW

The 20"x36" Oak H-Frame Dolly is built for professionals who demand superior strength, mobility, and floor protection. With a load capacity of 1,800 lbs, this dolly is ideal for heavy-duty applications such as moving appliances, HVAC units, and industrial equipment. The kiln-dried oak frame features 3 cross beams for exceptional durability and stability, ensuring it can handle even the toughest tasks with ease.

ORDERING

Order online, by purchase order, or through the quote list on lonestardollies.com. Ships from Mansfield, Texas by FedEx, UPS, or freight for oversized items. Orders process the same or next business day after payment.

Specifications are the manufacturer's published data. Confirm fit, mounting pattern, and rated load for your application before ordering in volume. Made-in-USA and material statements apply only where listed above.
