OVERVIEW

Model HQ1350S-TS3-TP-X178: 5" x 1-1/4" gray thermoplastic rubber swivel caster on an expanding rubber stem that fits 1-7/8" ID round or square tube, rated 250 lb. Tighten the top nut and the adapter expands inside the tube leg, so it mounts to tubular carts, racks, and shelving with no plate to bolt. Oak dollies use plate-mount casters, listed under Dolly Casters.
