OVERVIEW

Maximize your moving efficiency with our rugged Oak Hot Tub Dolly, designed for the toughest tasks. With a robust 1400 lb load capacity, this dolly is perfect for transporting bulky items, accommodating various tub shapes and sizes. Constructed from 4/4 kiln-dried red oak, it offers unmatched strength and durability, effortlessly enduring harsh, wet environments. Our dolly features four 10" pneumatic casters that provide superior maneuverability across grass, gravel, and uneven terrains. The rubber conveyor belting and 7/16" fastening bolts ensure secure and stable transport, protecting your cargo with rounded edges. Proudly made in the USA, this dolly is an investment in quality and reliability.

ORDERING

Order online, by purchase order, or through the quote list on lonestardollies.com. Ships from Mansfield, Texas by FedEx, UPS, or freight for oversized items. Orders process the same or next business day after payment.

Specifications are the manufacturer's published data. Confirm fit, mounting pattern, and rated load for your application before ordering in volume. Made-in-USA and material statements apply only where listed above.
