OVERVIEW

Proudly made in the USA, the WindyCity Hauler Dolly is the top choice for professional movers, known for its unmatched reliability and performance. This heavy-duty Chicago-style dolly is crafted from kiln-dried solid red oak, offering exceptional durability and flexibility to withstand heavy loads without cracking. Featuring 18" wide non-marking gray end caps and industrial-grade 5" thermo rubber wheels, this dolly delivers ultimate floor protection, smooth rolling, and easy maneuverability, even under maximum load. Trusted by professionals across the Midwest and Northeast, the WindyCity Hauler Dolly is engineered to take on your toughest moving jobs with confidence.

ORDERING

Order online, by purchase order, or through the quote list on lonestardollies.com. Ships from Mansfield, Texas by FedEx, UPS, or freight for oversized items. Orders process the same or next business day after payment.

Specifications are the manufacturer's published data. Confirm fit, mounting pattern, and rated load for your application before ordering in volume. Made-in-USA and material statements apply only where listed above.
